## OPPOSE SUNDAY

BATTLE ROYAL ON IN IOWA CITY—EVANGELIST HAS ASKED NONE AND WILL GIVE NO QUARTER.

Jacksonville Business Men Write Letters—The Famous Jersey Epistle and Sunday's Comment—Chicago Examiner Takes up Situation at Ottumwa—Card Clubs up Against It—Revival Is One Theme of Conversation.

Springfield Crowd Have Got the Hammer Out—Vulpine Interests "View With Alarm."

Ottumwa, Ia., Nov. 9.—(Special) —Sunday was a remarkable day in this city from a religious standpoint. The attendance, the interest and the enthusiasm at the tabernacle was unprecedented. The evangelist seemed stronger at the close of the day's service than at the beginning. Sunday morning he preached his sermon on "The Holy Spirit." This sermon made a great impression in Jacksonville and people in Ottumwa were equally impressed with it. In the afternoon he preached on the subject "Grenadiers" and the people were aroused to a high pitch of enthusiasm, laughing, crying and cheering by turns.

Sunday night the evangelist preached his famous sermon on skeptics from the text, "If Any Man Will." Thousands were unable to gain admission to the tabernacle and already the revival is the sole topic of conversation in the factories, shops and stores.

Almost every firm in Ottumwa has received a communication from a similar establishment in Jacksonville telling that "Billy" is on the square and urging them to boost the meetings. Many of the letters go into detail regarding the great work in Jacksonville.

The Ottumwa postmaster has received a letter from Postmaster Reeves of Jacksonville signed by the employees of the office and the banks have received letters from Miller Weir and others who speak of the good accomplished by Sunday.

Monday the evangelist spent part of his time in calling upon the merchants in the business section and he met with a very cordial reception. Ottumwa is being stirred as it never has before and the tabernacle is the mecca for everybody.

Ottumwa Courier, Nov. 8.—A vigorous preliminary skirmish in a campaign against Ottumwa sinners in which "there will be something done" every night except Monday's for the next five weeks, was conducted by the commander-in-chief, Evangelist W. A. Sunday, at the tabernacle last evening.

Hundreds Stood Up. Whether curiosity or the true revival spirit impelled the people, certain it is that the crowd was beyond question the largest that ever gathered under one roof in the city of Ottumwa. The tabernacle seats 4,500 people. Every seat in the house was filled and hundreds stood up around the outside aisles of the building. Many others were turned away. Those who were granted the privilege of gaining seats were entertained in a manner they will never forget and will never be again unless it is within the next five weeks.

Evangelist Stands Alone. Those who had heard Sunday previously got what they went after. The people that had become acquainted with the fiery evangelist through the press and by word of mouth, had their anticipations satisfied. For over an hour the evangelist held his vast audience so thoroughly wrapped up in himself that the crowd sat for several seconds motionless after the speaker had brought the evening to an abrupt close. There were no words minced. When Rev. Sunday had occasion to refer to a sinner, and he had many, he said "sinner," or a synonymous term equally emphatic, if not more so. In his adjectives he exhausted Webster and coined words to fit the occasion. He got off more English in an hour and actually said more than will ever be uttered in the same period again by any man but himself. Even if his vocabulary can be adopted, the evangelist stands alone, in a class by himself, as regards his delivery. His manner and gestures are inimitable.

Will Give Lobsters Run. In his introductory remarks, which were brief, Mr. Sunday said: "I suppose you've all heard tales about me. I see one man has got out a pretty little bill about me. He says it Jersey, or something like that."

"I see he's been pouring his slop-buckets of sour, stinking swill on

## EDITOR SHOT AND KILLED

MET DEATH ON STREETS OF NASHVILLE.

Murdered by Son of Man Who Had Been Criticized by Editor—Victim Was Former Senator Edward Carmack.

Nashville, Tenn., Nov. 9.—Former Senator Edward Ward Carmack, editor of the Tennessean, was shot and instantly killed on Seventh avenue by Robin Cooper, a son of Col. Duncan B. Cooper.

Soon after the three came in sight of each other the shooting began. Robin Cooper, it is said, firing two shots and Carmack one. Col. Cooper, it is said, drew his pistol, but it is said, did not fire. Carmack fell to the ground, dying instantly. Robin Cooper was shot in the right shoulder, but not badly hurt.

It is understood the trouble is one of the results of the recent Democratic gubernatorial primary, in which Carmack was defeated. Carmack has, since he has been editor of the Tennessean, been quite caustic in criticizing what he called the Democratic machine, and has had several editorials about Col. Cooper. Within the past few days, it is said, the colonel notified Carmack editorial criticisms must cease. This morning another editorial which referred to Cooper appeared in the Tennessean and this is supposed to have been the immediate cause of the trouble.

As soon as Carmack fell Col. Cooper put his arm around Robin and both walked a few feet down Seventh avenue to Dr. R. G. Fort's office, where the slight wound in his shoulder was examined and treated. An ambulance carried the body of Carmack to an undertaking establishment. Young Cooper was later taken to a hospital and Col. Cooper is held at police headquarters. He has made no statement. Robin Cooper is an attorney 27 years old and single.

Story of Shooting. The combatants were, evidently very close together when the first shot was fired. Mrs. Charles H. Eastman of this city, who was nearby when the tragedy occurred, Eastman's hearing is not good and declared he knew but little of the affair. Mrs. Eastman said: "I was walking toward Seventh avenue in the direction of Church street and had just passed the entrance to Polk. Carmack came up the street toward us, smiling as he recognized some of the people. He was carrying a large bag, and there were very few people on the street. Mr. Eastman and I were near the sidewalk and Carmack would have passed between us and entrance. He raised his hand as we spoke. He had his right hand up and was about to make a remark when somebody said—it was the voice of a woman, 'are you?' Carmack jumped out so as to get clear of me and I jumped into a getaway. I saw Carmack had a pistol. I turned and said, 'For God's sake, don't use it. I saw Carmack saw and fall in a heap in the gutter.' Mrs. Eastman said she saw the young man standing over Carmack and he put something into his own pocket.

Called Upon to Choose. If their present intentions and plans are carried through, the city will be called upon to choose between the respectables and the disreputables instead of between Republican and Democratic candidates. The issue is very likely to be square out and decisive and every voter will know what his vote, when cast, means.

Chicago Examiner Story. The Chicago Examiner of Sunday had the following on the Ottumwa meeting: "Billy" Sunday, the former baseball player and present evangelist, has opened his series of meetings here and Ottumwa to day is all excitement. Society and business circles are split into two factions, one favoring the evangelist, the other bitterly opposed to him.

Jersey, manager of the Grand Opera house, furnished the latest bit of excitement by plastering the city with hand bills, terming Sunday a hypnotist and calling upon the people of Ottumwa to save their souls the taint of Sunday's stinking swill that seeks to turn to gold.

The church people—many of them, at least—are meanwhile rallying to the evangelist and pressure is being brought to bear upon the leading women's clubs to postpone all sessions scheduled for the next few weeks and to give their undivided attention to the salvation of their souls.

Text of Anti-Sunday Letter. Here is the Jersey anti-Sunday letter which has created a furore: Do you propose to let "Billy" Sunday come over and hypnotize Ottumwa for \$4,000 or \$5,000? Are you going to rush to his so-called tabernacle and hand out your hard earned money just to hear him say "hell" fourteen times in three seconds and throw in a lot of adjectives for good measure? Is it right to ask your grocer, your butcher or your dry goods merchant to give you credit, and then pass over all your money to "Billy" Sunday?

Sunday's skiffing brand of hypnotism is a money getter to the sorrow of many a town. Let's make Ottumwa the exception. Sunday uses religion as his method of hypnotizing people, for he knows that in the heat of religious fervor people will give up money when you can't get it any other way. So he uses religion.

They say Sunday can do a town good. I believe it, only with emphasis on "do."

I am a taxpayer in Ottumwa. I've worked hard to get what I own. I don't want Sunday to come here and

## NO OPPOSITION TO GOMPERS

WILL PROBABLY BE RE-ELECTED PRESIDENT OF FEDERATION.

Hearty Applause Given Gompers at Opening Session of Organization—Tells of Work Performed During Past Year.

Denver, Nov. 9.—Hearty applause was given President Gompers of the American Federation of Labor by delegates to the convention of the organization at its opening session to day and also at the close of his report, which was read at the afternoon session, and was interpreted to indicate they will not offer effective opposition to his re-election.

John Mitchell, former president of the Mine Workers' union, said that while there may be strong objection to Gompers' tactics, the principle of equal rights and human freedom in the future there will be little opposition to the re-election of Gompers or criticism of his course in the recent campaign.

Gompers' report was an accounting of work performed by the president during the past year. Gompers referred to the Bakers' union, denounced injunctions and declared the move against free speech and free press of the workmen. He asserted that "Speaker Cannon packed the committee not only against labor, but against any other reform legislation," and that "the president made an unwarranted attack on me and upon labor organizations of the country."

After reporting on work during the campaign Gompers said: "The American labor movement is not partisan to a political party. It is partisan to a principle, the principle of equal rights and human freedom. Our conventions have frequently declared our movement has neither the right nor desire to dictate how a member shall cast his vote."

## SHOOTS MAN; THEN SUICIDES

NEW YORK POSTMASTER VICTIM OF ASSAULT.

Eccentric Stenographer Puts Bullet Into Body of Edw. M. Morgan and Ends Own Life—Victim Owes Life to Wit and Bravery of Daughter.

New York, Nov. 9.—Edward M. Morgan, postmaster of New York city, who was wounded in the abdomen to day by a bullet fired by E. H. Mackay, an eccentric English stenographer, who then committed suicide, was resting well to night and unless complications develop will recover.

Morgan probably owes his life to the quick wit and bravery of his 14 year old daughter, Dorothy, who saw Mackay draw the revolver and struck it with her hand. This deflected the bullet, otherwise the postmaster would have been fatally wounded.

For his assault Mackay was indicted in the United States court on 74 different counts for misapplying his funds, while the grocery company went into the hands of receivers. ## DEFENDS TAFT'S RELIGIOUS VIEWS

ROOSEVELT WRITES LETTER ON SUBJECT.

Declares Religious Views of Office Holder or Candidate Not Public Business—Withheld Answer Until After Election.

Washington, Nov. 8.—"Secretary Taft's religious faith is purely his own private concern and not a matter for general discussion and political discrimination," says President Roosevelt in a letter he made public tonight in which he answers numerous correspondents. The president says he deferred the publication of this letter until now to avoid any agitation likely to influence the election. The letter follows:

Letter to the President.  
Nov. 6, 1908. My dear sir: I have received your letter running in part as follows:

"While it is claimed almost universally that religion should not enter into politics, yet there is no denying that it does, and the masses of the voters that are not Catholics will not support a man for any office, especially for president of the United States, who is a Roman Catholic."

"Since Taft has been nominated for the presidency by the Republican party it is being circulated and is constantly urged as a reason for not voting for Taft that he is an infidel (Unitarian) and his wife and brother Roman Catholics. \* \* \* If his feelings are in sympathy with the Roman Catholic church on account of his wife and brother being Catholics, but would be objectionable to a sufficient number of voters to defeat him. On the other hand if he is an infidel, that would be sure to mean defeat. \* \* \* I am writing this letter for the sole purpose of giving Mr. Taft an opportunity to be the world know what his religious belief is."

Many Such Letters Received.  
I received many such letters as yours during the campaign, expressing dissatisfaction with Mr. Taft on religious grounds; some of them being on the ground that he was a Unitarian, and others on the ground that he was suspected to be in sympathy with the Catholics. I did not answer any of these letters during the campaign because I regarded it as an outrage even to agitate such a question as a man's religious convictions, with

the purpose of influencing a political election. But now that the campaign is over, when there is opportunity for men calmly to consider whether such propositions as those you make in your letter would lead, I wish to invite them to consider them and I have selected your letter to answer because you advance both the objections commonly urged against Mr. Taft, namely: That he is a Unitarian and also that he is suspected of sympathy with the Catholics.

Says It's Only Taft's Business.

You ask that Mr. Taft shall "let the world know what his religious belief is." That is purely his own private concern; and it is a matter between him and his Maker, a matter for his own conscience; and to require it to be made public under the penalty of political discrimination is to negative the first principles of our government, which guarantees complete religious liberty, and the right to each man to act in religious affairs as his own conscience dictates. Mr. Taft never asked my advice in the matter, but if he had asked it, I should have emphatically advised against him stating publicly his religious belief. The demand for a statement of a candidate's religious belief can have no meaning except that there may be discrimination for or against him because of that belief. Discrimination against the holder of one faith means retaliatory discrimination against men of other faiths. The inevitable result of entering upon such a practice would be an abandonment of our real freedom of conscience and a reversion to the dreadful condition of religious dissension which in so many lands have proved fatal to true liberty, to true religion and to all advance in civilization.

Such Discrimination Outrage.

To discriminate against a thoroughly upright citizen because he belongs to some particular church, or because, like Abraham Lincoln, he has not avowed his allegiance to any church, is an outrage against that liberty of conscience which is one of the foundations of American liberty. You are entitled to know whether a man seeking your suffrage is a man of clean, upright life, honorable in all his dealings with his fellows, and fit by qualification and purpose to do well in the great office for which he is a candidate, but you are not entitled to know matters which lie purely between himself and his Maker. If it is proper or legitimate to oppose a man for being a Unitarian, as is John Quincy Adams, for instance, as is Rev. Edward Everett Hale, at the present moment chap-

lain of the senate, and an American of whose life all good Americans are proud—then it would be equally proper to support or oppose a man because his views on justification by faith, or the method of administering the sacrament or the gospel of salvation by works. If you once enter into such a career there is absolutely no limit at which you can legitimately stop.

Says Family Not Catholics.

So much for your objections to Mr. Taft because he is a Unitarian. Now, for your objections to him because you think his wife and brother to be Roman Catholics. As it happens, they are not; but if they were, or if he were a Roman Catholic himself, it ought not to affect in the slightest degree any man's supporting him for the position of president. You say that "the mass of the voters that are not Catholics will not support a man for any office, especially for president of the United States, who is a Roman Catholic." I believe that when you say this you foully slander your fellow countrymen. I do not for one moment believe that the mass of our fellow citizens, or that any considerable number of our fellow citizens can be influenced by such narrow bigotry as to refuse to vote for any thoroughly upright and fit man because he happens to have a peculiar religious creed. Such a consideration should never be treated as a reason for either supporting or opposing a candidate for a political office. Are you aware that there are several states in this Union where the majority of the people are now Catholics. I should reprobate in the severest terms the Catholics who in those states (or in any other states) who refused to vote for the most fit man because he happened to be a Protestant and my condemnation would be equally as severe for Protestants who under reversed circumstances, refused to vote for a Catholic. In public life I am happy to say that I have known many men who were elected, and constantly re-elected, to office in districts where the great majority of their constituents were of a different religious belief.

Declares Fellow Americans Slandered.

I know Catholics who have for many years represented constituencies mainly Protestant; and Protestants who have for many years represented constituencies mainly Catholic; and among the congressmen whom I know particularly well was one man of Jewish faith who represented a district in which there were hardly any Jews at all. All of these men by their very existence in political life refute the slander you have uttered against your fellow Americans.

I believe that this republic will endure for many centuries. If so there will doubtless be among its presidents Protestants and Catholics, and very probably, at some time, Jews. I have consistently tried, while president, to act in relation to my fellow Americans of Catholic faith as I hope that any future president who happens to be a Catholic will act toward his fellow Americans of Protestant faith. Had I followed any other course I should have felt that I was unfit to represent the American people.

In my cabinet at the present moment there sit side by side Catholic, a Protestant, Christian and Jew, each man chosen because in my belief he is peculiarly fit to exercise on behalf of all our people the duties of the office to which I have appointed him. In no case does the man's religious belief in any way influence his discharge of his duties, save as it makes him more eager to act justly and uprightly in his relations to all men. The same principles that have obtained in appointing the members of my cabinet, the highest officials under me, the officials to whom I entrusted the work of carrying out all the important policies of my administration, are the principles upon which all good Americans should act in choosing, whether by election or appointment, the men to fill any office from the highest to the lowest in the land. Yours truly,

(Signed) THEODORE ROOSEVELT.

GET RID OF THE LEAVES.  
Again the Journal takes the liberty of reminding many persons in Jacksonville that the leaves are lying in the gutters and valleys on the roofs of their dwellings and if not removed will make serious trouble. They cause the tin to rust and often so fill up the outlets of the downfalls that the water runs over making bad stains on the walls and interior of the buildings.  
HEAVY RUN OF CATTLE.  
A phenomenal run of cattle arrived in Chicago Monday, and the market went down 10 to 15 cents all around and the wonder is it didn't go lower. There were 34,000 cattle, 60,000 hogs and 40,000 sheep, 134,000 animals in all. Such an aggregate is enough almost to make a person's head swim, but the big establishments in the great city can take care of all that are not shipped eastward.

Workmen were occupied yet in making an opening in the stone laid at the southeast corner of the Ayers block on West State street. A down-fall in bad shape had let the water down in such a manner as to damage the foundation of the building quite seriously.

### BITTEN BY DOG

H. H. Huntsmeier of Arcadia Goes to Chicago to Take Treatment at Pasteur Institute.

Several days ago H. H. Huntsmeier of the Arcadia neighborhood purchased a Shepherd dog, which he prized very highly. Unexpectedly the dog became angry and bit both Mr. Huntsmeier and his wife, Mr. Huntsmeier then brought the canine to Dr. C. E. Scott's office and in taking the dog from the box it bit Mr. Huntsmeier the second time. Dr. Scott pronounced the dog mad and he was put in a safe place. Mr. Huntsmeier became alarmed over his condition and consulted Dr. C. E. Black, who gave him the necessary medical attention and advised him to go to the Pasteur Institute, Chicago, of which Antonio Lagoria is manager, where he will remain for at least two weeks. Three days after the dog bit Mr. Huntsmeier the animal died and its body was expressed to the institute, where the brain was examined and gave every evidence of being mad. The many friends of Mr. Huntsmeier will earnestly hope that no evil results will come from his experience.

# MONEY

In every community there is enough money in hiding to start a respectable bank.

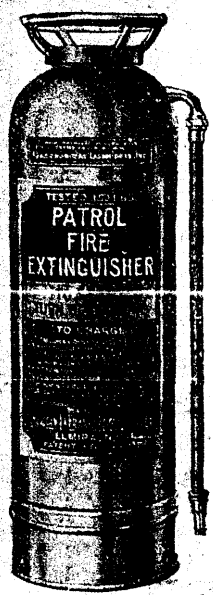

This money is not only liable to be lost by theft or fire, but it is placed where it does not bring in any income to the holder—neither is it of any use to the public.

Deposit this "dead" money with us. Then it will get into circulation and be of some benefit to yourself and also to the community.

The more money there is in circulation the cheaper the rate of interest, the easier it is to borrow, and the more prosperous the general business conditions.

We pay interest on SAVING ACCOUNTS and on TIME CERTIFICATES.

## The Ayers National Bank

### Fire Protection

That means insurance, but also means a good deal more. You have a thousands things in your home that are not covered by your fire insurance policy. You have many things that money paid you after they were burned up could not replace. A fire insurance policy is all right, but NOT TO BURN is much better.

Preventing fires has been the business of the Babcock people until we have developed it into a science. We manufacture everything needed for the purpose and if you will allow us to advise you, we can tell you JUST WHAT would best protect your particular place of business or a home located as yours is.

For your convenience we have placed a line of samples at 112 South West Street (Rooms of the Johnston Agency) and will be glad to have you call, examine them and talk it over.

### Last Week's Fires

The fire department was unusually busy during the week past. Besides one false alarm on Saturday afternoon and the conflagration of the Gravel Springs plant, which nothing could stop, they arrested three fires, all of which point the same moral. On Tuesday morning a dwelling on S. Prairie St. caught from a defective flue, but was put out by the chemical engine. Tuesday evening the Morton school building caught in the basement and had gained considerable headway before the department could reach it; but the chemical engine again did the work and there was no water damage. On Friday afternoon the Schodesack Dye Works caught from an explosion of gasoline and suffered heavy damage from both fire and water. Had this plant been protected by properly placed hand chemical extinguishers it could have been put out at once and the damage would have been less than \$10. No fire can live, not even a gasoline fire, if attacked with chemicals soon enough. The Babcock Extinguisher Co. are doing their best to induce our people to protect their business and their homes. They are advertising extensively and have placed a large line of samples of fire fighting apparatus and materials at the rooms of The Johnston Agency, 112 S. West St., and invite inspection and consultation. The wise man will prepare for war in time of peace. Better not put off a matter so important.

### OPPOSE SUNDAY

(Continued from Page One.)

hurt my business or that of any other taxpayer in this city. If he takes \$4,000 or \$5,000 out of Ottumwa it hurts us all, for Sunday's kind of religion is a good deal like getting drunk—it's all right while it lasts, but it leaves a bad taste, a headache and an empty pocketbook.

P. J. Jersey.

**Appeal From Church People.** Evangelist Sunday's meetings, which began last night, are held in a big tabernacle with the legend, "Ottumwa for Christ." Prior to his coming a circular letter signed by an executive committee representing fifteen churches was sent out in the city. Following is the letter:

"Dear Friend: The revival services will soon begin under the leadership of Rev. W. A. Sunday, whose work in other cities leads us to believe that these meetings will bring the greatest religious awakening Ottumwa ever experienced.

"Mr. Sunday emphasizes the fact that unless the Christian people of Ottumwa unite in this work his efforts to a great extent will be in vain. We ask you to help by taking a stand in favor of the meetings and attending the cottage prayer meetings and by earnestly praying for and working with those you desire to become Christians.

"At all events do not by criticism, censure, or indifference join the opposition forces of the city who will do all they can to injure the success of this religious campaign.

"We also request you to lay aside all social functions during this meeting.

"Shall we pray God earnestly to cleanse our hearts, dedicate our lives and strengthen us wholly to His services during the coming weeks?"

**Starts a Social War.**

The sending out of these letters started a social war in Ottumwa and the breaking up of many heretofore pleasant and profitable social gatherings promises to be the result. The women's card clubs are especially "up in the air," and all of them have decided to abandon their meetings while the spiritual warrior is in town. While the spiritual warrior is in town, these clubs do not agree on stopping their pleasures for Mr. Sunday, and there will be some who will go on playing cards just as usual.

The Ottumwa Woman's club, the Fortnightly club, the Shakespeare club, the Art club and the P. E. O. society have not as yet decided what they will do. The Tuesday club will "most assuredly" suspend its meetings, and the Bridge, Whist and Forty clubs have also decided to suspend the meetings.

The City club and the Tourist club members say they will go right along with their programs and study Browning, Shakespeare, Dickens or Elbert Hubbard; in fact, their regular work, in preference to "Billy" Sunday.

**Social Events Stop.**

Social events outside the club are already beginning to drop. There isn't to be any in Ottumwa for the next five weeks. Several social events, such as afternoon teas, receptions and such, have been held during the past week, but stories of these gatherings have been withheld from the newspapers because of fear of censure or something of that sort.

No one knows just what "Billy" Sunday is going to say, but some people are going to say something about them.

### WOMAN DESCRIBES

#### CURE FOR ECZEMA.

(From Chicago Record-Herald.) Here is a simple treatment for skin diseases, such as salt rheum, eczema, tetter, etc., that is so good that I feel I ought to make it public in your columns. Dissolve a teaspoonful of pure powdered citric in two tablespoons of hot water and bathe the diseased skin with the warm solution 20 minutes at a time twice a day. The only precaution is to be sure to get the pure drug, just as it comes from the chemical works, in small sealed packages, and make the solution fresh each time it is to be used. It must be applied fresh and warm. Any good drug store has this well known chemical.

It seems almost too simple, but the best things are always simple. I cured my husband of a very bad case of eczema on the leg, and my little boy's ring worm with it; also a very dear friend who had a tetter on her hand. It dries up the eruption in a few days and stops the itching at once. A friend of mine who got the prescription from a famous skin specialist gave it to me. It is a priceless discovery and I hope you will publish this.

## CROWDS FILL THE CHURCHES

SABBATH MORNING SERVICES ARE OF UNCOMMON INTEREST TO PASTORS AND PEOPLE.

Nearly Thousand Additions to Membership of Protestant Bodies of Jacksonville—Day Will Ever Be Memorable in Religious History of City.

**At Congregational Church.**  
A large audience was present Sunday morning at the Congregational church. Dr. R. O. Post read the 53rd chapter of Isaiah and commented on the sacrifice of Christ. The articles of belief and the covenant were read and the duties and privileges of the new members dwelt upon. Forty-two were received into the church; fifteen of whom were baptised. Communion came next. After the closing exercises the officers of the church were asked to come forward and give the new members the right hand of fellowship and were followed by the members of the congregation and the time was one of great spiritual rejoicing.

**At Westminster Church.**  
Sabbath morning, probably the largest congregation of its own adherents ever seen in Westminster was present. The pastor, Rev. L. H. Davis, made appropriate announcements and spoke words of welcome to those who were renewing their church allegiance and Miss Miller made a short preliminary address on Bible study. The pastor then preached from II Cor. 5:17: "Therefore if any man be in Christ he is a new creature. Old things are passed away; beloved all things are become new," a forceful and interesting sermon.

Converts were invited to meet the session Monday and Tuesday at 4 p. m., and Wednesday and Thursday in afternoon.

**At Grace M. E. Church.**  
Grace M. E. church was no large crowd Sunday morning to hold the people who attended. Over seventy-five chairs were brought in to accommodate the people. The pastor preached from the text, I John 3:1: "Behold, what manner of love the

father has bestowed upon us that we should be called the children of God." Over eighty were received into the church upon probation and by letter, and a large number were baptised. Rev. Mr. Nate was assisted in the service of receiving the members in the church by Dr. W. F. Short and his long acquaintance with the homes of those who were received added no little effectiveness to his closing prayer. There will be services at the church each evening during this week except Saturday evening.

**At State Street Church.**  
The services at State Street Presbyterian church Sunday morning were of a very impressive character. It was communion Sunday and Dr. A. B. Morey did not preach a regular sermon, but led in a few remarks very appropriate to the occasion. Over seventy people were received into the church and half of that number received the ordinance of baptism. Several elderly people were baptised, more than at any one time in the history of the church, and all present felt the sacredness of the meeting. The regular church choir furnished the music.

**Baptist Church.**  
The services at the Baptist church Sunday were of especial interest. There was an attendance of 418 at the Sunday school and the Baraca class had an attendance of 70 alone. About 125 have been received into the church and of that number nearly sixty have received the ordinance of baptism. About thirty were baptised Sunday morning and twenty-seven at the Monday night service. There will be baptismal services every night this week except Saturday.

**Christian Church.**  
The services at the Christian church Sunday were attended with great spiritual interest and enthusiasm. The balcony and auditorium were filled and the pastor preached upon the text, "The New Testament Church." Baptismal services were held last Wednesday and Friday nights and with the service of Sunday a total of 271 had been received into the church. Thirty-three were baptised Monday afternoon and Monday evening and at Monday evening service, preached upon the text, "How Men Are Brought to Christ." There will be baptismal services every afternoon and evening of this week at the church and preaching every evening. The additions to the church thus far number 300.

**Centenary Church.**  
Sunday morning will long remain a pleasant memory in the history of Centenary church, when 139 were received into the membership. The pastor, Rev. F. A. McCarty, was assisted in the service by the venerable minister of the gospel, Rev. McKendree McElfresh. The chorus choir sang beautifully and Prof. W. B. Olds sang a solo in a fine manner. There have been fifty-eight persons baptised and there will be baptismal services, again to day. The pastor preached Sunday morning upon the text, "We Would See Jesus."

**Jordan Street Church.**  
The services at the Jordan Street church Sunday morning was of especial interest and the pastor, Rev. J. W. Eltzhoft, preached a very helpful sermon. The reception of new members will take place at a later period. The pastor desires all members of the church, irrespective of age, who are interested in the formation of a Normal class, which was deferred until after the Sunday meetings, to be at the church this evening. It is the plan to arrange the preliminaries to night and fix upon a regular night of meeting. All are invited.

**Antioch Church.**  
Good reports come from the meeting, auspiciously begun in Antioch church east of the city. Several were received in the church Sunday, and the work gives promise of good results in many ways and all will hope for good things for that branch of the work.

**At Alexander.**  
Sunday was a good day at the M. E. church in Alexander, six being received into the church, several of them adults and all giving promise of useful membership.

## WHY SO WEAK?

Kidney Troubles May be Sapping Your Life Away—Jacksonville People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers from backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well.

Mrs. John Anderson, living in the eastern part of Virginia, Ill., says: "We have used Doan's Kidney Pills in our family and they have been a blessing to us. I suffered from severe backaches and headaches. I was unable to sleep at night owing to the severe pain in my back and head and the too frequent action of the kidney secretions. Doan's Kidney Pills proved to be just what I needed and after using them a short time the pain in my back disappeared, my kidneys became much stronger and I was able to sleep at night. My son and daughter also used Doan's Kidney Pills for the same complaints and were likewise cured."

For sale by all dealers. Price 50 cents. Foster-McBurr Co., Buffalo, New York, sole agents for the United States.

## CLEANLY WOMAN.

**Erroneously Thinks by Scouring Her  
Scalp That She Cures Dandruff.**  
Cleanly woman has an erroneous idea  
that by scouring the scalp, which re-  
moves the dandruff scales, she is curing  
the dandruff. She may wash her scalp  
every day, and yet have dandruff her  
life long, accompanied by falling hair,  
too. The only way in the world to cure  
dandruff is to kill the dandruff germ,  
and there is no hair preparation that will  
do that but Newb's Herpicide. Herpi-  
cide by killing the dandruff germ,  
leaves the hair free to grow as healthy

latter part of the present month.

The Home and Foreign Missionary  
societies of Westminster church will  
hold the November meeting on Tues-  
day, Nov. 10, at 3 p. m. in the church  
parlors. A full attendance of women  
of the church and congregation is  
urgently requested and all are cor-  
dially welcome.

Asa Robinson and several others  
from this city have returned from  
Naples, where they had a fishing ex-  
pedition with remarkable results and  
stories which discount many told by  
successful anglers.

The street pavement is being torn  
up a few inches from the sidewalk  
curb in front of the store of Schmalz  
Brothers, in order to repair the curb

which will insure a good piece of  
work.

Mrs. Elizabeth Stebbins has re-  
turned from Girard where she went  
to attend the celebration of the 91st  
birthday of her father, Basil Wright.

The old gentleman is wonderfully  
 hale and hearty and dressed in a  
suit of fashionable clothes looked  
quite young and agile. Among other  
things he had a foot race with some  
of the little folks and felt as young  
as any of them. He had the pleas-  
ure of voting for Taft, the same way  
he has cast his ballot for many years.

One of the recent automobile pur-  
chasers is J. H. Corrington residing

about as if to the manner born and  
enjoys it not a little. Yesterday he

mother and his son and all enjoyed  
his trip first rate.

Tony Kennedy has received a  
postal card photograph from his son  
showing some of the ceremony of in-  
ducting the sailors who first cross the  
barrier. It is a humorous affair  
and shows the men on board the good  
ship having plenty of fun at the ex-  
pense of the new ones who were  
paraded about in strange attire. The  
young man is seeing much of the  
world on his cruise and has more yet  
in store.

REDPATH GRAND QUARTET

In assembling, as one organization, four artists of such individual  
eminence in the highest field of musical endeavor as the gentlemen com-  
prising the Redpath Grand Quartet, the management confidently believes  
it is offering an attraction absolutely without a parallel in the lyceum  
business. Never before has a quartet been announced by any bureau  
whose members even approached Messrs. James, Jackson, Duff and Mar-  
tin in the broad, artistic musical accomplishment to which they have  
attained. In surpassing qualities of voice, in temperament, in finish of  
conception and vocal delivery, in strength of repertoire, and indeed in all  
the elements that go to make up truly artistic singing, these gentlemen  
are known and recognized by conductors and managers in the United  
States and Canada to be among the foremost cotemporary vocal artists.

GOV. HOCH, OF KANSAS

Twice Nominated by Acclamation

"Governor E. W. Hoch is a tall,  
angular, slow-moving man. He looks  
as pacific as a Universal Peace Con-  
gress. But when he is roused he is a  
fighter from the old town."—From  
Editor's Pen, Chicago Tribune.

Governor Hoch is making a great  
campaign. He is speaking to im-  
mense audiences and charming them  
with his matchless eloquence. There  
is no finer orator in the west than  
the governor."—From Editor's Pen,  
Topeka Daily Herald, Oct. 10, 1906.

Hoch talks straight from the heart.  
He plays not upon the intellectual,  
but upon the human side of his hear-  
ers. There is the ring of sincerity in  
his voice, the suggestion of good fel-  
lowship in his manner. And Hoch  
stands today as the most effective  
platform orator Kansas has known.  
—Editorial in Topeka Daily Capital,  
Nov. 22, 1905.

## LELAND T. POWERS

The Greatest of Dramatic Artists

"The art of Leland Powers is that  
of a master. He has many imitators,  
but I have never heard his equal. He  
has long been recognized as a stand-  
ard by which all similar work is  
judged, and the highest compliment  
that can be paid any other artist is  
to place him in the same class with  
Leland Powers. From the time he  
began to attract attention in the  
Lyceum world his art has been no-  
table for modesty, coolness, self-re-  
liance, which to lack is a weakness;  
there has been no posing, no insin-  
cerity, and he has never resorted to  
tricks to win the applause of a mo-  
ment. What Charles Dana Gibson is  
to drawing, Leland Powers is to im-  
personation."—Paul Pierson, in Tal-  
ent.

## HERVEY SMITH McCOWAN

Noted Lecturer

Thoughts, ideas, irony, facts, phil-  
osophy and fancy, tumbling over a  
cascad of words, will describe Mr.  
McCowan's remarkable lectures. He  
has the greatest power of magnetism  
I ever felt in a public speaker. He  
never hesitates, but talks right on for  
two hours at a tremendous rate of  
speed and when he does stop you are  
sorry.—F. W. Darling, Cook County  
Normal School, Chicago, Ill.

When Hervey Smith McCowan first  
began to lecture, he took place  
among the prominent men of the pro-  
fession from the start. He always  
had that strange genius of rhetoric  
which only public speakers of the  
first class possess. He has a gift in  
description which very few men on  
the American platform equal.

## KATHARINE RIDGEWAY

It is generally conceded that the  
Katharine Ridgeway Concert com-  
pany is the most popular organization  
on the Lyceum platform. Miss Ridge-  
way is, without doubt, the best  
known reader of the present genera-  
tion.

"Just as a speaker illustrates his  
points, pins them to the walls of our  
memories, as it were, by stories and  
amusing incidents," she says, "so I  
think a reader can have a basic idea  
which is expressed in the evening's  
program by the different selections,  
which yet offer a variety in color and  
treatment. It is the privilege of the  
reader, and I count it a privilege, to  
bring to some one an idea of life  
which is an agency for good. More  
and more I have felt this and I have  
tried to express it in my selections."

—Sioux City Journal.

## The Royal Hungarian Orchestra

## ROYAL HUNGARIAN ORCHESTRA

To speak of the playing of the Royal Hungarian Orchestra in such  
terms of praise as it deserves would be to use expressions that have the  
appearance of extravagance. If the general public knew how seldom mus-  
ical performances merit unqualified praise, it would appreciate how great  
a pleasure is afforded the musical reviewer in listening to efforts that merit  
only approval.—New York Herald.

Louis Lipski, the conductor, has appeared before the King of England  
and other royal personages, and has received several medals of approval.  
Parkersburg, W. Va., Nov. 10, 1905—A large and representative audi-  
ence was present Friday evening to greet the Royal Hungarian Orchestra,  
and to say that all who were present were delighted with the evening's  
program would be expressing it very mildly. Should the orchestra ever  
play a return engagement in this city they would receive a most enthu-  
siastic reception.—Daily.

Akron, O., Nov. 4, 1906—Louis Lipski's Royal Hungarian Orchestra is  
perhaps one of the greatest organizations of its kind in the world. Louis  
Lipski, director, although possessing a very unassuming appearance, has  
the fire and spirit which characterize the foreign artists. He has ac-  
quired excellent control over the artists under him, and the movements  
of the baton are responded to with forcefulness which makes the attacks  
very pleasing.—Times and Democrat.

RATIONAL CURE FOR ECZEMA.

No More Dosing the Stomach Cure the Skin Through the Skin.

When you have a scratch on your hand you wash it out and cleanse it and then the skin cures itself. You do not take blood medicine to cure a festering wound.

The best skin specialists to day are agreed that the only way to cure the skin is through the skin.

The fact that eczema is a skin disease and not a blood disease is evident from statistics which show that nearly all eczema sufferers are perfectly healthy in all other ways except as to their skin.

If the eczema patients were really suffering from an inward malady, the entire body and not only the skin would be diseased.

You can prove immediately the relief of a true skin cure by using oil of wintergreen as compounded in D. D. Prescription.

This liquid attacks the disease germs, numbing them while building up the healthy tissue of the skin.

We have now handled this meritorious and thoroughly scientific remedy for so long and have seen its reliable result so many times that we freely express our confidence. Lee P. Alcott, 60 east side square.

Chicago Grain Market.

Chicago, Nov. 9.—Wheat—Nervous, trade not large. There was little business early owing to strength in European markets, but selling by elevator interests caused moderate declines. Oats—Firm nearly all day because of buying by cash interests. Continued heavy receipts furnished chief incentive to buy.

### LIGHTS ARR OUT

(Continued From Page One)

house next Sunday afternoon. Mr. Davis stated that the meeting would be evangelistic in character and that it was the expectation to have men saved at the meeting. He said that the Y. M. C. A. was purely an institution founded for the purpose of helping men. He urged men to come to the meeting next Sunday and bring with them some man that was not saved. Other speakers will be announced from Sunday to Sunday and the work of salvation will go under Y. M. C. A. auspices.

Dr. W. O. Wait made the announcement regarding the sale of the tabernacle at 2 p. m. to day.

Mr. Davis then spoke of the great work accomplished by the Pacific Garden Mission and referred to Garretson of Massachusetts, Driver of Denver, Crippled Buck of Buffalo, Gordon, Wilkinson, and Mrs. Multhead as among the great religious workers that had been saved through the agency of the Mission, not to mention Sunday and the speaker of the afternoon. He then spoke of the offering that would be taken for the mission and the men were generous, as the collection amounted to over \$100.

After a few words of greeting from Mr. Monroe, who was next introduced, the speaker of the afternoon, called to the platform W. C. Taylor, the crackman, who went to Galesburg to crack a safe, but who came away a convert of "Billy" Sunday. He gave a graphic description of his career, saying he had been in prison five times, that he had never seen his father or his mother, but as near as he could find out his birthplace was somewhere in the bowery of New York. He said it was not a pleasant duty to stand before an audience and relate his story, but he was willing to do so, if he could be of any help to a lost soul. "I only thank God I am here. I am 52 years of age. If the Lord can pick up a man like me, what can He not do for you. I want to say to the young men if you have a home, stay there. Stay with your father and mother. Don't

leave the rural district for the city. Men, I want to thank you for listening to me. There is only one way to live, just as sure as there is a God in heaven, you're sin will find you out.

Address of Mr. Monroe.  
Among other things Mr. Monroe said:

"It is with some embarrassment to me always to stand on a platform where 'Billy' Sunday has stood. 'Billy' Sunday is what he is because the word of God has got a grip on his life. Your conversion marks an epoch in your life. Show me the line of conduct of a convert for three months and I will tell you his future. Sunday may preach and the ministers may counsel, but after all it is up to yourself and God and to win you must pray your way through. The greatest asset you can put into the life of a child is the memory of the family altar."

Mr. Monroe told in a graphic manner of his own conversion which occurred in Chicago 28 years ago and when Col. Clark came down to talk with him after he had raised his hand for prayer in the mission and uttered the words "Jesus loves you and so do I," the darkness disappeared and a light came into his life that has kept him from the ways of sin all these years. Dr. Morey led in a word of prayer to the converts at the close of the service.

**Evening Service.**  
The tabernacle was filled with people Sunday night and nearly all the seats in the chorus section were occupied. An orchestra of six pieces was present and Mr. Henderson again led the chorus in a fine manner and Mr. Read was again at the piano.

The songs sung were "Ambassadors for the King," "It is Well With My Soul," "Lead Me Gently Home Father," "Garden of God," and "So Changed." The paper megaphone were used with great success in emphasizing the words of the chorus and applause rang from the audience. Mr. Henderson gave each singer a megaphone as a souvenir.

Rev. J. V. Whiting opened the service with prayer. Dr. Wait again spoke about the sale of the tabernacle and urged people to call for the lost articles in Fred's room not later than to day at noon. These articles will then be taken to the home of Mr. Spire on Edgmon street and if not called for by Christmas will be distributed among the poor.

Dr. R. C. Thrapp spoke of the meeting next Sunday under Y. M. C. A. auspices when A. G. Dodge of Terre-Haute will speak.

Rev. J. C. Noto read the scripture as found in Luke, the tenth chapter. The collection for the Pacific Garden mission was taken and nearly a

hundred dollars raised.

Mr. Monroe then delivered an interesting address, speaking along the same lines followed in the afternoon and telling of the work of the mission. At the close of the service the invitation was extended and Dr. A. E. Morey urged the unconverted to come forward. Four accepted the invitation and took Mr. Monroe by the hand and the closing words that rang out in the great tabernacle came from Rev. P. A. McCarty, who led in prayer. Mr. Henderson turned to the choir and asked what they desired to sing as a farewell song and the response was unanimous for "Sunday, Sunday, He is the Boy From Chicago, Illinois." When the melody ceased the curtain fell on the last religious exercise of a marvelous series.

A good man does not always wear a good title. An honest man may have a bad title through no fault of his own. On the other hand a man without a penny, whose warranty is therefore worthless, may yet convey a perfect title. Men die, titles run forever. We search the title, not the man. Walter & A. E. ### LICENSED TO WED

Clerk of Will County Issues Marital Document to Walter H. Howard and Miss Nellie Winterbottom, Both of Jacksonville.

Word has been received that a marriage license was issued at Joliet Monday to Walter H. Howard and Miss Nellie W. Winterbottom, both of Jacksonville. Inquiry concerning the facts from relatives of the young people here failed to elicit information, but it is understood that they arrived in the city last night from Joliet.

Mr. Howard is employed at the Courier office and Miss Winterbottom at Henry's millinery store. Both are well and favorably known and if the news is true their many friends will wish them happiness in their new life.

### AFTER POLL TAX DODGERS.

It is not known to every citizen of Jacksonville that between 400 and 500 of her citizens have never paid their poll tax, which was levied the one part of the year. The police have become earnest about the matter and for the next few days and weeks a lively time can be expected. Men are making all kinds of excuses, but the poll tax ordinance is one hard to evade. Chief Hurst yesterday issued an order of arrest against Kent Johnson, which was executed by Officer Kennedy. Johnson appeared yesterday before Squire Henderson. The maximum fine is \$5 and costs, but Johnson was lucky enough to get off with his poll tax of \$1.50 plus \$2.70 costs, making a total of \$4.20. Several other warrants are out and no partiality is going to be shown. No partiality is going to be shown.

**BILDERBECK OUT ON BOND.**  
J. A. Bilderbeck, whose trial came up before Squire Henderson yesterday afternoon, asked for a change of venue to "Squire Coons" court where he was released on a \$200 bond for his appearance Nov. 21. Bilderbeck was arrested on a charge sworn out by John M. Harney, aged 15, of running her. When the trial came up she swore another party was guilty. Bilderbeck was arrested in Springfield some days ago. The girl is the daughter of Mr. and Mrs. William Harney and she has been at the Redemption Home in Springfield. Bilderbeck is a man over 50 years old.

### TALLULA REVIVAL

He was assisted by Mr. Butler and the Misses Anderson of Springfield, who had charge of the music.

Mr. Pledger and Mr. Butler will join Mr. Sunday in Ottumwa to day.

And why not do it? Under our system of divided payments you can purchase any rug or piece of furniture in stock and pay for them at your leisure. And when you pay a little at a time its economy to buy better quality, which you'll find at this store.
